

The Chinese University of Hong Kong
Department of Information Engineering
CUHK Research Postgraduate Student Grants for Overseas Academic Activities
Implementation of New Scheme for combining Conference Support from
Graduate School and IE Department
(for Attending Academic Conferences in 2024-25 and thereafter)

- IE Postgraduate Students have to submit applications with all the required documents at least THREE WEEKS prior to travel for conference. Application form can be downloaded from: https://staff.ie.cuhk.edu.hk/~dept/files/App_form_Conf_Nov2024.pdf
- Students have to attend the presentation/communication skills workshops of the “improving Postgraduate Learning (IPL)” series prior to his/her conference grant application. Please make your registration at : <http://www.cuhk.edu.hk/clear/prodev/ipl.html>
- The applicant must be one of the authors in the paper and has to present the paper at the Conference.
- The Division Head will only approve applications satisfied with the above three criteria and qualified conferences listed in [Appendix A](#). Applications for attending a conference which is NOT on the list of pre-approved conferences need to have support by the supervisor and special approval by the Department Chairman.
- The successful applicant should arrange a mock presentation of the paper (inviting all Department members to attend) ONE WEEK before he/she leaves for the Conference. The supervisor or group members should attend the presentation and give suggestions to polish the applicant’s presentation. It must be taped and recorded by either the Self-Service Video Recording System or the Department technical team. Seminar Presentation Application Form can be downloaded from: http://staff.ie.cuhk.edu.hk/~dept/files/Seminar_Presentation_App-Form_Oct20.pdf
- The RPg students (not applicable for continuing students) will be eligible for Conference Accommodation for 5 room nights with a maximum of HK\$5,000 per trip, which should adopt the per diem rates of subsistence allowance outside Hong Kong. Conference Accommodation for Research Postgraduate Student Form can be downloaded from: https://staff.ie.cuhk.edu.hk/~dept/files/Accommodation_App-Form_1Nov17.pdf
- The amount of grant will be capped at HK\$45,000 and HK\$17,000 (of which HK\$30,000 & HK\$10,000 are funded by Graduate School) for the whole normative study period of a Ph.D and M.Phil student respectively. HKPFS awardee shall be eligible to apply for the grant after the annual travel grant is exhausted. It can be used to cover registration fee and round trip air-ticket.
- If a student has exhausted his/her entitled grant budget before graduate, the Department Chairman can have discretion to support the conference if (1) it is a prestigious conference that worth participate, and (2) the supervisor provides strong recommendation.
- Continuing students who never used conference grant during his/her normative study period are eligible for the conference grant support. The cost should be shared by the department (60%) and supervisor’s research grants (40%).

END
